HI [REDACTED] A few questions..

Can you send me a photo of the ceramic stool I sent down for room 2? Does it work for a desk stool, or a side table next to rocking chair?

Can you send me a photo of JE new desk chair in library? did he see it before he left?

Can you pls send me a photo of some of the shells on the shelves in the movie room.

Also, I sent down a photo with Marc Dober last week to go in the wooden frame on the wall in my office. Can someone pls put it in the frame if they haven't already? thanks
