hi rich,  
..yes, june 2nd is fine, but she doesnt need to move. i dont do mess.. i dont sand the plaster so no dust. i can do it without sanding in case she is afraid of that. when i was there erin told her that if the workers would do the ceiling its going to be very messy..  
or if she move, no need to take all her stuff. i will protect everything well.., but yes june 2nd is fine, otherwise i can start even tomorrow  
thank you,  
ion
