No!

The carpet we received was the same pattern (Woolston Plaid), but the color is "shoreline".

This was identified in my e-mail to both JE and you on 8/11/2013.

Additionally, JE sent both you and I these two photo's on 8.10.13 (see attached) that clearly identify the carpet as "shoreline".

(From JE to you and me on 8.10.13 at 8:23 am)

the stark carpet is the right one. the temp version should be woolston plain , color shoreline 100 percent wool, . abc carpet. it is the same pattern as current gulfstreamm , it should be temp. i have been consistnat about color . for weeks now they say 1-2 week lead time

Jeffrey,

This is what I was planning-

Tomorrow I will identify the availability of the Woolston Plain, Shoreline carpet as selected for a "temporary" carpet.

I will also call Stark on the pricing for the custom carpet with silk as the one you desire as a "permanent" carpet.

Jeffrey took it with him,
Karyna can you send us a photo of the front and back.
Can you show it to him before you do so to make sure it is correct.
It is the one that was on the dining room table before you left. Grey with white on it.
Thank you
