Hi [REDACTED]!:))

Sure, no problem! Will you be on the UES?

Hi Karina

I would like to give you some things to take to the island if that is ok. Could I possibly meet you after work on Thursday to hand to you? I leave on Friday evening so I could also meet you on Friday but I think you will be working most of the day.

Thank you so much for my gift...exactly what I needed while on the accutane!! :)
