Valdson is paid. [REDACTED] knows and will be spending the night. [REDACTED] will also be helping (driving), but I'm trying to get him to come 15min earlier than he said he could (per JEs instructions) as he drops his kids off at school in the am. I will check about the android. Thanks for the update :)

if you can pls pay Valdson too and let me know when you have. thanks!!

and obviously, pls make sure to bring JE's laptop, wallet, passport, phone, back with you!

I'm not sure if he will want to leave the android phone in Paris, or bring back with him.. might want to ask him.
