I do not feel well. . but will be better soon . We cannot wait again to the very last minute . to complete the balance of boards, schools etc. If you tell me how i can encourage you to plan your time, more effectively, I will do my best to get it done.

I've submitted it about about 2 hours ago, had to enter all the coursework for 4 years and also added professional experience, but I marked the field with the type as "other", not saying volunteered or paid, as I could do both, for example volunteering first and then started to get paid, but I could not mark "paid" and "volunteered" at the same time.

How do you feel??
