Hi [REDACTED] and [REDACTED]. Can either one of you please do me a favor. I need to put labels on everything in the basement for LSJ which says "909JE". Jojo will need to drop off a load of boxes tonight at the airport and they need to be properly marked with the tail number as they won't be going straight in the plane and they will need to know who the items belong to. You will need to go buy the large 3x5 inch white sticky labels to use and mark with a sharpie pen so it's easily seen. And if you can pls let me know how many boxes/items total there are in the basement. Thanks
