Priveeet!

No Jeremy, those burrito was not just not so good, it was really awful I should say!:)
How is your family, what town you've been to?

My school is ok, I can't say I'm enjoying my classes so much, cause it's too long and a big part of time going for nothing, but it's only the beginning of the year still, so I hope it would be better soon. But it's supposed to be a lot of holidays this month, soon is one of my friend's wedding, next week we'll make a hen-night for her, and little bit later is my cousin's wedding... And yesterday we celebrated the beginning of the new academic year with my university friends, it was SO funny, I had forgotten already what is our crazy russian dancing!:) It was really funny excluding today's morning lecture;)

How is your research work, how long you need to complete it?
Tell me when you'd be able to skype, ok?
Send your my airkisses.....*****

Hi Karina,

My family was in town so I've been with them for the last few days. Thanks for the pictures. Those were some good pics of you...especially the one with the burrito that wasn't so good. :) How is school? Are you enjoying your classes?

Hey Jeremy!!!

I didn't hear from you all these days...how are you??

Privet Karina,

I'm a late night person too but with my new job I have to go to sleep pretty early. We will definitely have to skype one day after work.

My pictures on facebook are crazy. Most are my friends from church. I really love them, such great people.

So you like your mom's homemade soup and steaks huh? I'll be right there. I LOVE a good steak with some mashed potatoes and green beans..mmmm mmmm good.

My Indian food was great. I ate it so fast that I have a stomach ache right now. I really like spicy foods and this was very spicy.

so you'll have to send me a few pictures of yourself now. I think I have a couple hundred pictures on my facebook, but I only see two of you on yours. :)

Hope you sleep well. Talk to you soon.

Hugs and kisses and kisses and kisses,
Jeremy

I usually go to sleep late, still can't adapt to my new schedule, so we may skype after your work some day.

I saw your pictures on facebook, some of them are really funny, especially your fancy-dresses, very funny, I like it:))

My favourite home food..hmm...I like soups my mum makes, I like steaks...there are so many things I like, come to me and you'll try it!;) How was your Indian food?)

Hello lovely Karina,

Yes, I had a good time. I ate some food at a friend's house and then went to the park and played soccer with a group of guys for a couple of hours.

What do you eat when you go home? What's your favorite 'home food'?

Hahaha. I don't clean my apartment enough which is why it has taken me so long. :) I started to clean it before, when we were talking, but I didn't get it all done. Now I'm finished, THANK YOU GOD!! :D

7 hours later than NY, okay, so maybe some morning when you are free and I can stay up late and we can talk on Skype. I usually get home around 5pm, which I think is 12am for you (0:00).

Have fun in your classes! Study hard. I miss you too...hope to skype with you soon!

(nice kisses!!)

Hi Jeremy!

I've forgotten - it's The Labor Day in US tomorrow, wish you to have a fun time!

My family is good, thank you. I'm happy to see my parents, to talk to them after a long time... and home food - oh my God, it's so tasty!!!)...except one thing - I'm eating chocolate ice cream now and it's much worse than... you know what)

It's good at home, but anyway I want back to NY so much!!!

You can also join <www.vkontakte.ru> if you want, it's similar to facebook, there some photos of me too.

How often do u clean your apartment?) it's not the first time u write me about it, you must be very neat I guess:))

We can talk by skype any evening, what time do you usually come back home? It's 1.10 am in Minsk now, 7 hours later than in NY. I'll go to bed soon, tomorrow I should go for my classes.

Have a good time tomorrow!

Kiss you...muah muah mmmuaaaah! bye...

Hello Karina!!! :)

I'm glad to hear from you too and I'm glad that your flight went well.

I slept in late today too, it was nice to get some rest. How is your family? Tell your cat that I say 'hello' back. It really is sad that we didn't get any photographs together. I do have a lot of pictures on face book. If you do a search for me under the name Jeremy Stiffler, you will see a picture of me on my parents boat looking at the sunset while I'm lying down.

It has been nice today but it started raining a little bit in the evening. I will be singing in my church choir tomorrow and then will come home and try to get my apartment cleaned. It is such a mess. I need a maid!! :)

On Monday we have a National holiday so I don't have to go to work. I'll be playing some soccer with some friends and maybe go to a concert. The most important thing is that I get some of my school work done. I've waited too long to get the work done and now I think it is time to get it done.

Can you also send me some pictures? We should also Skype some time. Let me know when you can. By the way, what is the time difference from New York and where you live?

Hi Jeremy!!!

I'm so glad to hear from you!

My flight was perfectly good, but I was so tired when I came home and was sllleepig all the day) Everything is so different here, I'm dreaming about next summer already...

I'm waiting for your pictures! It's a pity we have no any photoes together. Do you have a lot of pictures on facebook?

My cat is lying near me and says Hello to you!)

It's so rainy here today, and how is your wheather? What plans for the weekend?

2009/9/4 Jeremy Stiffler <[REDACTED]>

Hey Karina,

I wanted to see how the flight went. I hope it was uneventful. :)

It was really hard driving by the airport last night knowing that you would be taking off at any minute. I'm going to send you some pictures of me when I get home and would love it if you could send me pictures of you as well.

Get some rest, and I hope we can talk soon!

Jeremy
