We have a guest arriving today on American #655 from JFK at 1:55pm. Her name is [REDACTED] [REDACTED]. JE would like her to come over on the heli with Dr Merkin today. Would you be able to meet her upon arrival? (or have someone meet her and bring her to the heli)

JE also told me dr Merkin sent him an email last night that he plans on returning to Miami tonight, so quick in and out. I'm not sure what time he's planning on leaving, but maybe Nicholas would be available to do the return heli tonight? I will run it by JE for you to leave at 4:45pm and Nicolas do second heli run

Dr. Merkin's assistant says he is scheduled to depart Opa-Locka(Miami area) tomorrow at 11am. She will confirm arrival time into St.Thomas, but I think with the time difference, that should have him landing about 2:15pm I think..

Hi [REDACTED],

Dr. Merkin is scheduled to depart out of Opa-Locka at approximately 11:00 am, Tail# [REDACTED] I don't know the exact time he will be landing, but I think that an 11am departure puts him there a little earlier than 2:15pm. I'll find out and let you know.

Thank you,

April

Hello Anne,

I wanted to touch base regarding Dr. Merkin flying to St. Thomas tomorrow to meet with Jeffrey. Jeffrey forwarded me an email he had sent to Dr. Merkin saying that it would be best if he could land tomorrow at 2:15pm. I wanted to confirm if Dr. Merkin is in fact coming tomorrow, if he will be landing at 2:15pm, and what the tail number is so I can arrange for Mr. Epstein's helicopter pilot to meet him upon arrival and bring him over to the island. Thank you so much for your help!

Best,
