Ok thanks for checking. Sorry to keep adding things, but could you pls buy 8 iPad chargers and 4 iPad docks at Best Buy for me to take with on sunday. Also, Larry has some stereo cables he's going to get to you for me to bring as well. Thanks

I think we have one in PB kitchen that's rubber on one of the swinging doors. I need something like this, but needs to be clear plastic or white might work as well. Can you pls see if home depot or Lowes has this as well? Or perhaps a marine shop might sell something like this?
