

Dear Mr. Danby,

I've been reading your book "Moorish Style" with great interest. It is by far the best book available on that subject. I'm building an Alhambra style house in the Caribbean. I'd like to know if you're still practicing architecture and if you'd be interested in visiting the site. I'd be delighted to discuss this with you in further detail. You can contact me at [REDACTED] in the U.S. I sent this letter via Newcastle University as they said they'd be kind enough to forward it you. I look forward to speaking with you soon.

Kind regards,

Ms. Maxwell
