

Frances – this is a little note to remind you that you have a car service at your disposal to use 24 hours a day, to go anywhere that you want, at any time that you want, and for as long as you want. You never have to ask – you simply dial this number [REDACTED]

The co. is called Park Avenue limo service

The account is in your name.

You tell the car service where you want to be picked up and a car will come and get you. You can then keep the car as long as you want until you are ready to be taken home. You can use the car 50 times a day, or night, if you want – take it to the supermarket, take it to the cinema, take it to the hairdresser, take it to the disco, just make sure that you USE the car service.

My telephone no. which you can also ring 24 hours a day is [REDACTED]. Please let me know if there is anything that I can do for you or anything that you need. I would be so happy to do anything for you – I will only be unhappy if I cannot do anything for you and if I do not hear from you

You are wonderful

Max and I send you a big kiss

Ghislaine and Max
