Importance: Normal

I am beginning to think that this is all getting in the too difficult bracket.

As the planning is getting more difficult over the bank holiday weekend here I am thinking now I might join Sarah and the kids in Sotogrande for a few days which would be a very important and good thing for the girls, rather than trek across the pond.

Please will you give me permission to do so and I am conscious of the "better offer" syndrome but in this case it wouldn't be that... I think!

Let me know when you get up.

Just to let you know that Philip has now also baled from the w/e for some pathetic little business reason. Our w/e is turning out to be just you and me at this point. Of course if you think you would have more fun elsewhere don't hesitate to let me know as I would hate to be the spoiler. Carol has also just called to say she may now not come. She'll let me know tom or the next day. Regardless , Philip will be in Miami Tues when you arrive and you can stay w/him (he has a separate guest house on the grounds where you would be comfortable to go out for one night w/him in Miami for some fun. What do you think.
