Dear Ghiaslaine,

I have managed to confirm the first meeting: Luis Fernando Levy, President of Gazeta Mercantile, for Friday at 10 am, at their offices.

Jorge Paulo Lemann is coming back from his trip this evening, so will confirm tomorrow.

Armino Fraga, President of Central Bank, (former Soros wiz kid), is handling his office this week in Brasilia to Meirelles, his successor and may not be able to make it, maybe on Saturday, are you available?

These are some of my best personal friends, so we can meet in other occasion, even in the US, of needed.

Looking forward to seeing you all in Wooby Dooby Land!

Best,

Marcelo
