Subject: Iridium Phone GIIB

Date: Sun, 05 Jan 2003 08:50:27 +0000

Dear Ms. Maxwell:

Larry V. said that Mr. Epstein was asking the status of the iridium for the GIIB. I signed the contract 12/30/02, with a three week lead time for ordering the equipment and engineering, then four days to install.

I also have alligator samples that I will give to you on departure to N.Y.

Sincerely: Larry M.
