Hello, I just wanted to let you know that as I was sitting in the hair salon (taking care of the grey) I was browsing through this month's issue of W Magazine and I saw your picture. I think it was a Gucci opening. Anyway, I thought you looked great and seeing your picture made me realize how much I miss you. Also, I have come to realize that if I'm not working for you (or JE, you two are almost one in the same) then I'm just not working! (At least for as long as I can help it) My best to you.

Love,

Cim
