---

Dearest Guislaine,

I'm soooooooooo happy you're finally coming! I initiated the contacts with Armino Fraga, former president of BR's Central Bank, Jorge Paulo Lemann, GP (founder of Garantia Bank) and Liz Fernando Levy, President and owner of Gazeta Mercantil, the local Wall Street Journal / Financial Times.

Gazeta Mercantil, may represent an interesting investment opportunity, since they are not in a comfortable financial position and have been just out of a big restructuring process, that set them in a much better path.

Is there anyone else you or Jeff wish to see? Any special place to visit, any special request at all?

Please let me know if this is good or if there is any thing else you need or I need to know (trip porpoise, etc).

Um grande beijo,

Marcelo
