Dear Ghislaine,

My apologies for not forwarding on these files sooner but I wanted to speak to the Consulate and confirm the next step on approaching the Duke.

It is now agreed that the Consulate will formally write to the Duke and ask if he would become the Patron of the British Memorial Garden - As we have discussed if you could also speak to him about this that would be wonderful. The project would benefit so much from his involvement ...

If all the downloading of files is too clumsy we do have the beginnings of the BMG website up and running .. it is britishmemorialgarden.org and all the documents I am forwarding to you can be found there plus photos of Hanover Square as it is now.

Thankyou for all you are doing, and please let me know if you need anything else or if you have any other concerns.

Camilla
