I am going to be in my first REAL (SAG) film!!

Check out: www.tacosurf.com

3700 people tried to get auditions. 30 people got a part...of which I am one!

Did it all by myself.

Doing extra's work all weekend (plus work) will have sag eligibility by Monday!

No time to sleep!

Can't wait for you to come into town. Missing you both.

Have an amazing time in Brazil.

Love,

Emmy :)
