Yes, actually been considering it or something like it. Never thought you could find one person to do it all though.

Ever thought of having what in my parlance is called a mans man? And no that is not some raging queen - a straight guy, (could be a girl) who drives cooks cleans ans phones and works about 20 hrs everday? Don't forget this unfortunately is one of my areas of expertese + am happy to offer an assist if you want -

I was already thinking that for other staff, thinki I can stick with one nanny but I have to have contact.

There's more to the story, just think she's being a tad difficult.

Do you think she is trying to send you a message or just deliberately be difficult? Perhaps you should make sure that the nanny reports to you - or at the very least informs you of any and all changes of plans before she takes off or alters the schedule in any way - you might find you need 2 nannies at this point - perhaps at least one that is loyal to you??
