Sorry I lost you on the phone.

Wow, you mean there's like an off switch that I didn't find. You must show me.

Talk to you later, and see you tomorrow.

If "shut up shut up" is the definitive relationship song - you will need to know how to install the mute button on new and future girlfriends - there is a little port on most women that accepts that card - I'll show it to you on Wed - not too many men know about it
