Simple ordering system

Q`uit: <http://t.ub.zbuysz.com/a.html>

A very beautiful girl walked up to a department store's fabric counter and said, "How much is this?" "Only a kiss a meter," replied the smirking man assistant. "That's fine." replied the girl. "I'll take for meters." The assistant quickly measured the material, wrapped it and then gave it to the girl. Taking it, the girl turned and pointed to an old man standing beside her. "MY grandpa will pay the bill." she said.

A guy sits down in a Cafe' and asks for the hot chili. The waitress says, "The guy next to you got the last bowl.💎💎 He looks over and sees that the guy's finished his meal, but the chili bowl is still full. He says, "Are you going to eat that?💎💎 The other guy says, "No. Help yourself.💎💎 He takes it and starts to eat it. When he gets about half way down, his fork hits something. He looks down sees a dead mouse in it, and he pukes!the chili back into the bowl. The other guy says, "That's about as far as I got, too."
