VALENTIN is a coming of age story told through the eyes of a precocious 10-year old boy who lives with his grandmother in turbulent 1969 Argentina. Estranged from his eccentric parents, young Valentin yearns for a real family and dreams about being an astronaut. He befriends a reclusive neighbor, forms an unlikely friendship with one of his father's many ex-girlfriends and sets out to discover the harsh realities about his parents, all the while bringing joy and wisdom into the lives of the adults around him in this heartfelt comedy.
