Ghislaine

i think we missed each other

shame

but in answer to yr questions, the publicity tour of europe was shatteringly exhausting but qute fun in parts, and boring in other parts (some gorgeous swedish amazons, a lot of bearded danish teachers!!!! you get hte picture) but at least now I am big in sweden

anway i ll be in NYC one day again

and you ll be back here

so we ll meet

how s things with you?

all well i hope

love sebag
