The ferrer things looks to be 250 and I have to get right home to the kids as I have them tonight and do homework so it would nbot be a good use of your time - although it would be good smoozing !

I did get the invite and I am working on schedules with eric this week - you know how that goes but I will be there if I am in town - also if you need any help for Wine etc let me know and my sister in law can bring her wine in and do some tastings for your guests it could be fun!!!!( she and my brother are both CIA grads ) She also has non alcolholic champagne which is quite good - if Wyclef is in town would you like me to bring him or do you not care either way ?????

Call me Sunday in case I am in town - I don't have kids until next Fri so lets go out next week!!!!!!

Lol - Marcy - safe fyling and I want a chopper ride soon!

Paris was great - glad Eric continues to be wonderful - I didn't expect anything less of you or him :) did you introduce him to your kids? How did it go?

I am leaving today sometime this evening - going to PB to pick up my chopper and fly to St Thomas - expect to be back Sunday- I'd love to catch up and say hi - is the Ferrer thing drinks - could we slip some girl time in or would I have to share you w/the masses the whole time?

Did you get the invite to my party 29th?

Just let me know if I can help you w/any of your projects - am, as you know, basicaly foot loose and fancy free -

G

I am here too - I have the kids thru Fri morning - I took them to Las Vegas this past weekend and we had just a blast - matt continues to be dreadful and Eric continues to be a FAB listener

I am going to the Four Seasons tonight for ferrer fundraiser - I gave a healthy contribution if you would like to attend with me :) - It is from 6-8 and I guess I would go around 630 ( I have a lawyer mtg with Wyclef jean as we are working on buying a Island in haiti - something you have to get involved with soon!!!)

Tomorrow night I am planning on going out - I have a client Friend in town from Warner brothers and you are most welcome to join us ( girl)

Let me know what you are up to !
