Interesting - have on going meetings. As an FYI - one of the co's I am discussing doing business with is Publicis - they were my Dad's agancy and I have a good relationship w/the guy who runs it Maurice Levy whom I like a lot and other senior players - they are pitching for google business... They sd any help I can give  
Am planning to be in town all next week - after that it turns into long term planning event - I can't project that far out :)

I would like to have a serious meeting next week about bringing you in on a project but we'll have to go over your schedule for when you are IN town and OUT - time commitment etc

How did the Paris meetings go with the "brand visability ' opportunity ?

Paris was great - glad Eric continues to be wonderful - I didn't expect anything less of you or him :) did you introduce him to your kids? How did it go?

I am leaving today sometime this evening - going to PB to pick up my chopper and fly to St Thomas - expect to be back Sunday- I'd love to

catch up and say hi - is the Ferrer thing drinks - could we slip some girl time in or would I have to share you w/the masses the whole time? Did you get the invite to my party 29th? Just let me know if I can help you w/any of your projects - am, as you know, basicaly foot loose and fancy free -  
G

I am here too - I have the kids thru Fri morning - I took them to Las vegas this past weekend and we had just a blast - matt continues to be dreadful and Eric continues to be a FAB listener

I am going to the Four Seasons tonight for ferrer fundraiser - I gave a healthy contribution if you would like to attend with me :) - It is from 6-8 and I guess I would go around 630 ( I have a lawyer mtg with Wyclef jean as we are working on buying a Island in haiti - something you have to get involved with soon!!!)

Tomorrow night I am planning on going out - I have a client Friend in town from Warner brothers and you are most welcome to join us ( girl)

Let me know what you are up to !
