Good morning. Taking the kids to school and then I'll call. Thanks for sending the shorts by the way. Will look good with my new sandals.

We had fun last night - typical Miami- slinky, meadlion wearing guys, latin girls w/mini skirts above their belly buttons - Carole on was last night so it was fun - sharp witty comments, acerbic views on Miami life. The Italian Ministers party was VILE - some of the ugliest women wearing the strangest clothes w/everything hanging out and really slimmy italian men. It was a walk in, laugh so hard at the sight, and walk out. Good for jokes and endless review over dinner. Carole may go back to NY today, and if she does I may go to PB - I'll let you know
Can you resend me the Atlantic Monthly article I sent you. For some reason it has corrupted on my computer and I can't read it.
