thanks!! you are so sweet! next time you guys surprise someone you should land in sherwood ... they won't know what hit them ... i'd write more and be funny and witty and really show you my stuff but we have to go to this bbq at the nipps down the road (i made pasta salad!) ... julie, the wife, drinks wine coolers and wants to sleep with my husband and steve has had food poisoning for a month and it's all they talk about ... but they pick the kids up from school so i have to suck up ...

tell carole we have to march all in a parade right past sidewalk blocker to get there!! if you don't hear from me in 24 hours ... send whatever's left of the national guard ...

Told stinky Carole that I wanted to say hi, she refused to let me call you on the grounds you were in the super market and reluctantly sd I could e mail you instead. She is a vile slimy spyrogyra on a staganant pond for the record. We are having a fun time though in Miami!
