Dear All,<br>  
<br>

<br>  
As some of you already know, I now have a non-exclusive first-look producer<br>  
deal at Fireworks Pictures and will continue working as an independent<br>  
producer on several projects set up at Fireworks (Once a Thief, Room Full of<br>  
Mirrors, A Life to Die For, Taking Wing). I will also be looking to develop<br>  
new projects for the studios. Fireworks is very keen on partnering with<br>  
studios on projects going forward and can provide, if needed, co-financing<br>  
and foreign sales. In addition to which Fireworks can also provide domestic<br>  
distribution for pictures budgeted under \$7M.<br>

<br>  
I look forward to an exciting New Year!<br>  
<br>  
Best,<br>
