I am glad you are around - I will be staying at the hotel Unique - I don't have the no. on me as I am doing something crazy - I am in the middle of a road trip in my helicopter - Palm Beach to St thomas - I arrive in St Thomas tom. Is the party on the 3rd one I can come to? Let me know. I'll call you when I land in Brazil regardless. Are you coming to the formula one stuff over the w/e?
