Sergey, I will be in NY then. I am having a buffet on the 9th after a screening for Renee Zelweggers new film (supposedly a romance comedy) - if you are around and that sounds fun you are most welcome&nbsp; to come to the screening and the buffet - shold be about 50 people coming. Ifn ot I hope you have some time so we can meet for a coffee&nbsp; - let me know what works<br>

It was a pleasure to meet you.&nbsp; I get to NY about 3-4 times a year.<br> Currently I plan to be there for a couple days around April 10th.<br>

If so do get in touch - I<br> &gt; would love to get together.<br>
