<br>
<br>
<br>
<blockquote type=cite class=cite cite><blockquote type=cite class=cite cite>&gt; A group of
girlfriends went on vacation and they see a<br>
&gt; &gt; five-star hotel with a sign that reads &quot;For Women Only.&quot;&nbsp;&nbsp;& Being
without<br>
&gt; &gt; their<br>
&gt; &gt; boyfriends, they decide to go in.<br>
&gt; &gt;<br>
&gt; &gt; The doorman, a very attractive guy, explains to them how it<br>
&gt; &gt; works, &quot;We have five floors.&nbsp;&nbsp;& Go up, floor by floor, and once you
find<br>
&gt; what<br>
&gt; &gt; you are looking for, you can stay there.&nbsp;&nbsp;& It's easy to decide, since<br>
&gt; &gt; each floor has signs telling you what's on that floor.&nbsp;&nbsp;& The only rule<br>
is,<br>
&gt; &gt; once<br>
&gt; &gt; you leave a floor, you can't return to it.&quot;<br>
&gt; &gt;<br>
&gt; &gt; The women talk it over and decide to go for it.&nbsp;&nbsp;& They start<br>
&gt; &gt; going up, and on the first floor the sign reads &quot;All the men here are<br>
&gt; &gt; horrible lovers, but they are sensitive and kind.&quot;&nbsp;& The friends laugh and<br>
&gt; &gt; without hesitation move on to the next floor.<br>
&gt; &gt;<br>
&gt; &gt; The sign on the second floor reads &quot;All the men here are<br>
&gt; &gt; wonderful lovers, but they generally treat women badly.&quot;&nbsp;& This wasn't<br>
going<br>
&gt; &gt; to<br>
&gt; &gt; do.So, again they head for the stairs.<br>
&gt; &gt;<br>
&gt; &gt; The friends move up to the third floor where the sign reads<br>
&gt; &gt; &quot;All the men here are great lovers and sensitive to the needs of women.&quot;&nbsp;&
<br>
&gt; &gt; This was good but there were still two more floors...<br>
&gt; &gt;<br>
&gt; &gt; So, on to the fourth floor, the sign was perfect.&nbsp;&nbsp;& &quot;All the men<br>
&gt; &gt; here have perfect builds, are sensitive and attentive to women, are<br>
&gt; &gt; perfect lovers, and, they are single, wealthy and straight&quot;<br>
&gt; &gt;<br>
&gt; &gt; The women were really excited, but they decide that they<br>
&gt; &gt; must know what is on the fifth floor before they settle for the fourth.<br>
&gt; &gt;<br>
&gt; &gt; When they reach the fifth floor, there is only one sign<br>
&gt; &gt; that reads, &quot;There are no men here.&nbsp;&nbsp;& This floor was built only to
prove<br>
&gt; &gt; that there is simply no way to please a woman.&quot;</blockquote></blockquote>
