Is today really your birthday? It's the birthday of one of my greatest friends and it would not at all be surprising that you shared it! So happy birthday darling -- I'll have to do a bit of thinking.

Hate you for being in Palm Beach. If it weren't your birthday, I'll call you what you really are for being there.

Hey, I'm currently in my bikini in Palm Beach. I'm not trying to make you
jealous or anything! Carol is great. Actually, she may not be gone for too
long as she may come in and work w/me if my deal goes through. I'm not
dumb. It took me so long to make 1 girlfriend I'm not prepared to loose her
to Osama!

Whilst you are out shopping for birthday gifts thought you would like to
know that it is my birthday

Dec 25th

Bye
