Alex, are you only going to be in NY over the w/e? w/e for me are not that good as I generally go out of town - let me know what other options, if any, there are as I'd love to get together

Greetings from Downunder!

We meet at Davos at the WEF. I was the guy who you thought was too soft to be a tycoon! We talked about about meeting up the next time I was in the USA. I hope that stirs your memory! It is likely I will be in New York, May 15-16. How about dinner or lunch?

I hope to hear from you.

Best Regards
