Jean Marie - I tried you on your portable to no avail. I am sure that you are enjoying yourself somewhere in the sun. I just wanted to let you know that JE and I will be arriving sometime on Sun/Mon of this week. I would like to arrange a car and discuss with you the cleaning arrangements for the apt. We will be in town until 5th. Either give me a call or send me an e mail

Again many thanks for all your help

Ghislaine
