What can I say - A huge thanks - Buy anything that you like the look of - + as far as presents they are the best. Just yest one of my very sophisticated friends was admiring my watch and saying how he wanted to buy one especially as now he had tried it on it looked even better on him than he had expected! I can only tell you that his facial expression when I told him I bought it for 19 dollars was absolutely priceless

I look forward to seeing you when you come over. Can we have lunch/tea/ dinner?

run by different people. 5th floor- that helps. 50 watches now? I think I

may buy a bunch as gifts too. Good idea. I'll let you know once I get

them. We'll be in the states in October and I plan to bring them with me

then. Nancy

We did not actually go to a shop, but we went to a large building (mall

like) that had literally hundreds of shops that sold fake watches fake

handbags and just about anything else that you can imagine. You can go to

any of the watch booths in fact you will probably have to go to several to

get the 50 I am now after. The shops if I remember rightly were on the 5th

floor. If you see any great handbags Gucci. Hermes, Versace, Fendi up to

10/12 you can buy those or great belts, in fact just about anything that

you like that looks fun stylish and something that I can give as a gift and

have it be appreciated.

Thank you again -
