No, retard, - poor guy, You probably scared him to death - he has nothing to compare it to - how could he know who he was dealing with - The two largest nightmare/picky hotel snobs on the planet

Ok, so no hotels in Stuart - you need to tell me what time golf is then so I can see if the helicopter I can fly is free at that time + if not which other helicopter they have available - failing both of those options you will have to get your arse out of bed and leave me, more like abandon me, to snuggle in your absence with a pillow
