OY. I am finally home. Too tired. I am here for Saturday, to NY for Sunday. Having dinner with Les Gelb and Skip and Pam. I am on some panel on Monday. Still undecided if I will go home Monday or Tuesday. Sorry about no Russia. I think I have a window on June 13-17.

We are delaying the Reliant Series C for two months. Saw a cardiologist today and his computer says I have the heart of a 39 year old. (n.b. that means I have proof that I have a heart.).
