Hello [REDACTED]

Happy Valentines Day Sweetie

I hope you are well and your trip was OK. I would have sent you flowers but I don't have your address, but I hope you enjoy this day and I'm sure you'll be getting flowers from lots of people in New York. Do send me your address anyway so I can put you on our USA VIP database - its good to have friends on there to get their opinion & feedback on our marketing etc.

Hope to see you in the next couple of months in New York.

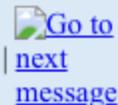

Kisses from down under

Alex.

PS I couldn't find my friend so I was unable to upgrade your flight, so I hope it wasn't too exhausting in economy
