Subject : Nice To Meet You On The Plane

Hi, [REDACTED]:

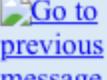

Thanks for keeping me company on the plane and talking with me. You are a very nice and very well-grounded person for someone as young as you. I'll be sure to look for the Modern Bride magazine and find your seven pictures in it!

Funny stroy: I told my wife I'd met you, and I had a dream last night I was on a plane with President Bush, and when I told my wife that in the morning she said, "Gee, you sit on a plane with a super model and you think you'll be on a plane with every famous person now!" :)

Anyway, I hope the Dallas Nieman-Marcus gig goes well, and the work keeps coming -- but try to take some time for yourself, too. Get some sleep next week! :)

Take care!

Chuck
