Dershowitz: We can now prove that Jane Doe #3 lied about Clinton, Gore and Dershowitz

Alan Dershowitz's lawyers have now filed a detailed reply to Jane Doe #3 false charges. In it they definitively respond to all of the alleged evidence presented by Jane Doe #3 and her lawyers. Since that filing Mr. Dershowitz's lawyers have uncovered additional evidence that Jane Doe #3 committed perjury in her affidavit to the court, and that she fantasized alleged meetings she had with former President Clinton, former Vice President Gore and the then Mrs. Gore.

In an affidavit she submitted to the Federal Court, Jane Doe #3 has now repeated a flagrant lie she has sold to a British tabloid. Namely that "former President Bill Clinton was present on the island [Jeffrey Epstein's private island] at a time when [Jane Doe #3] was also present on the Island."

This perjurious statement summarizes a far more elaborate fantasy that she sold to a British tabloid which has since been repeated by the international media. In neither statement, does she provide any specific dates or times, but she does weave an imaginative fantasy about her fictional meeting with former President Clinton. She "describes" how Mr. Clinton's Secret Service detail allowed Ghislaine Maxwell, then a novice helicopter pilot, to fly the former President to Epstein's private island on a large black helicopter—an obvious lie. She then purports to "describe" specific seating locations at a fictional dinner party that included her, Mr. Clinton, Jeffrey Epstein and two other underage "olive-skinned brunettes" whose identities she could not provide:

"I flew to the Caribbean with Jeffrey and then Ghislaine Maxwell went to pick up Bill in a huge black helicopter that Jeffrey had bought her. [REDACTED] always wanted to fly and Jeffrey paid for her to take lessons, and I remember she was very excited because she got her licence around the first year we met. I used to get frightened flying with her but Bill had the Secret Service with him and I remember him talking about what a good job she did. I only ever met Bill twice but Jeffrey had told me that they were good friends. I asked, "How come?" and he laughed and said, "He owes me some favours." Maybe he was just joking but it constantly surprised me that people with as much to lose as Bill and [Prince] Andrew weren't more careful. She said that when dining that night, Maxwell sat at President Clinton's left, while they were joined by two 'olive-skinned brunettes' who had been flown in from New York."

Jane Doe #3 also concocted another meeting with a powerful political figure for the British tabloid, this time claiming to have met former Vice President Gore and his then

wife, Tipper, on the same Island, again providing no specific dates or times, but only personal interest details designed to enhance the value of her fictional account:

██████ disclosed that Mr Clinton's vice-president Al Gore and his wife, Tipper, were also guests of Epstein on his island... 'I had no clue that anything was up,' ██████ says. 'The Gores seemed like a beautiful couple when I met them. All I knew was that Mr Gore was a friend of Jeffrey's and Ghislaine's. Jeffrey didn't ask me to give him a massage... There might have been a couple of other girls there on that trip but I could never have imagined this guy would do anything wrong. I was planning to vote for him when I turned 18. I thought he was awesome.'"

These fabrications, which are obvious on their face, could easily have been determined to be false by any reasonable investigation. Our investigation has turned up evidence that Mr. Clinton was never on Mr. Epstein's island, that neither Mr. Gore nor his former wife have ever been on the island, and that Mr. and Mrs. Gore do not even know Mr. Epstein. Jane Doe #3's salaciously detailed accounts, sold for money to a tabloid are made up and were purposely designed to titillate the interests of readers eager for such salacious material. Jane Doe #3's even more salacious "descriptions" of her alleged sexual encounters with Mr. Dershowitz are equally fabricated.

There are only two possible explanations as to why Jane Doe #3 has told these lies both to the tabloids and in a sworn statement: either she is wilfully making up these stories, for financial or other motives; or she has fantasized these events and actually believes them to have happened, despite the evidence to the contrary. In either case she has lost any claim to credibility. No one should believe anything she says about former President Clinton, former Vice President and Mrs. Gore or Alan Dershowitz. They are either deliberate lies or the fantasies of a deeply disturbed woman.

Mr. Dershowitz's legal team has uncovered additional evidence, which it is in the process of verifying, that casts even further doubt on Jane Doe #3's credibility. This evidence will be disclosed once it has been confirmed by our investigation.
