

1. Where are you from? **Brooklyn, New York.** How long have you been in [current professional industry/hobby we're highlighting]? **More than twenty years.**
2. What accomplishment are you most proud of? **All of the great scientists that I have had the privilege of supporting.**
3. Why did you choose [current career/hobby] ? What do you attribute your success to? **I have always been interested in the unknown. In solving the unanswered questions about existence, the mind and the universe. Science seems like the best way to approach this. Any success that I have had comes from a devoted interest and a few scruples.**
4. In your opinion, what does an individual need to be successful? **That depends on the definition of success. It's personal to each individual. However, if success is a general or overriding sense of peace, then, I would say that honesty with oneself or self-awareness is critical.** What have been your biggest trials and tribulations on the path to success?
5. Can you highlight one particularly rough problem you went through and how you overcame this issue?
6. What do you see as the future of [niche/hobby]?
7. What has occupied your time lately? Any particular endeavors?
8. Did previous jobs or your education play a bigger role in preparing you for this industry?
9. What motivates you most and what are your biggest strengths and weaknesses?
10. In terms of advice, what's the best you've been given that you try to perpetuate in your daily activities? Who has impacted your passion in this industry the most?
11. In the long-term what are some of your ideal achievements? What would be 'enough' for you to feel fulfilled? If money was not a concern, what would be occupying your time?
12. What is your favorite quote? **There are many. Maybe one is: "*Si jeunesse savait, si vieillesse pouvait.*" If youth knew, if old age could. It's by Pascal. One of the great mathematicians.** Is the author of the quote also a favorite of yours?
13. Do you have a Twitter account or Facebook fan page? **Yes I do. My Twitter page is: @Jeffrey_Epstein and my Facebook page is: www.facebook.com/thejeffreysteinvifoundation I post all of our current work on those pages.**
