ALIPHCOM

COMMON STOCK PURCHASE AGREEMENT

THIS COMMON STOCK PURCHASE AGREEMENT (the "*Agreement*") is made and entered into as of ~~July~~-~~August~~ __, 2012 by and among ALIPHCOM, a California corporation (the "*Company*"), and the entity, whose name is set forth on the Schedule of Purchasers attached hereto as **Exhibit A** (which entity is hereinafter referred to as "*Purchaser*").

RECITALS

WHEREAS, the Company has authorized the sale and issuance of an aggregate of 1,260,233 shares of its Common Stock (the "*Shares*") pursuant to this Agreement; and

WHEREAS, Purchaser desires to purchase, and the Company desires to issue and sell, the Shares on the terms and conditions set forth herein (the "*Financing*").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises, representations, warranties, and covenants hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. AGREEMENT TO SELL AND PURCHASE.

1.1 Authorization of Shares. The Company has authorized the sale and issuance to Purchaser of the Shares. The Shares have the rights, preferences, privileges and restrictions set forth in the Amended and Restated Articles of Incorporation of the Company, dated December 5, 2011, as the same were amended on May 25, 2012, copies of which, including the amendment thereof, are in the form attached hereto as **Exhibit B** (the "*Restated Articles*").

1.2 Sale and Purchase of the Shares. Subject to the terms and conditions hereof, at the Closing (as hereinafter defined), the Company shall issue and sell to Purchaser, and Purchaser agrees to purchase from the Company, the number of Shares set forth opposite Purchaser's name on **Exhibit A**, at a purchase price of \$3.96752 per share.

2. CLOSING, DELIVERY AND PAYMENT.

2.1 Closing. The closing of the sale and purchase of the Shares under this Agreement (the "*Closing*") shall take place at 1:00 p.m. on or before ~~August~~~~July~~ __, 2012, at the offices of Cooley LLP, 101 California Street, 5th Floor, San Francisco, CA 94111-5800 or at such other time or place as the Company and Purchaser may mutually agree (such date is hereinafter referred to as the "*Closing Date*").

2.2 Delivery. At the Closing, subject to the terms and conditions hereof, the Company will deliver to Purchaser a certificate representing the number of Shares to be purchased at such Closing by Purchaser, against payment of the purchase price therefor by check, wire transfer made payable to the order of the Company, ~~cancellation or conversion of indebtedness or any combination of the foregoing. In the event that payment by Purchaser is made, in whole or in part, by cancellation or conversion of indebtedness, then Purchaser shall surrender to the Company for cancellation or conversion at such Closing any evidence of such indebtedness or shall execute an instrument of cancellation or conversion in form and substance acceptable to the Company.~~

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company hereby represents and warrants to Purchaser as of the date of this Agreement as set forth below. [Why are we not providing same reps and warranties in the Series 5 Purchase Agreement? Why are we not bringing those reps and warranties forward to the date of closing?]

3.1 Title to Shares. [Aren't these shares original issue? If so, and they were not issued previously, how does the Company hold title to the shares beneficially and of record? Where is the representation that upon issuance the shares shall be validly issued, fully paid and non-assessable] The Company has valid marketable title to the Shares and holds the Shares beneficially and of record, free and clear of any pledge, lien, security interest, suit, proceeding, voting trust, proxy, restriction, claim, equitable interest or other encumbrance of any kind or nature whatsoever (collectively, "Encumbrances") other than the restrictions set forth in the Company's bylaws and Restated Articles (the "Transfer Restrictions"). Upon the sale and transfer of the Shares, and payment therefor, in accordance with the provisions of this Agreement, the Purchaser will acquire valid marketable title to the Shares, free and clear of any Encumbrances other than pursuant to the Transfer Restrictions, the Fourth Amended and Restated Voting Agreement, dated June 16, 2011, the Sixth Amended and restated Investor Rights Agreement, dated June 16, 2011 and the Third Amended and Restated Right of First Refusal Agreement, dated June 16, 2011, each as amended from time to time.

3.2 Authority. [Should there not be the same reps and warranties as are in Section 3.1 of the Series 5 Purchase Agreement?] The Company has full legal right, power and authority to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby, including the sale and issuance of the Shares, and this Agreement constitutes its valid and legally binding obligation, enforceable in accordance with its terms. The Company is not obligated to sell or otherwise transfer the Shares to any ~~other~~ person or entity other than the Purchaser other than pursuant to the Transfer Restrictions (all of which have been duly waived or properly complied with to the extent applicable to the purchases contemplated hereby). The Company has been duly organized and is a validly existing corporation in good standing under the laws of the State of California and all corporate actions necessary to authorize the transactions contemplated by this Agreement have been duly taken. [Is the company required to be qualified to do business in other jurisdictions and is it so

qualified?] The officer(s) executing and delivering this Agreement on behalf of the Company are duly authorized to do so.

3.3 Consent. No consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any foreign, state or local governmental authority or other person on the part of the Company is required in connection with the consummation of the transactions contemplated by this Agreement, except as provided for the Transfer Restrictions (all of which have been duly waived or properly complied with to the extent applicable to the purchases contemplated hereby).

3.4 No Conflicts. Neither the execution and delivery of this Agreement by the Company, nor the consummation by the Company of the transactions contemplated hereby, will violate, conflict with, result in the breach of, constitute a default under, be prohibited by, require any additional approval under, accelerate the performance provided by, or give any person a right to terminate or receive any payment or other compensation under, any (a) terms, conditions or provisions of the Company's governing documents, (b) any term or provision of any material mortgage, indebtedness, indenture, contract, agreement, instrument, judgment or decree to which it is a party or by which it is bound, or (c) material order, statute, rule or regulation applicable to the Company, ~~other than, in the case of clause (b) and (c), any such violation, conflict, breach, default, prohibition, approval or acceleration that would not reasonably be expected to prevent or delay the consummation of the transactions contemplated by this Agreement.~~ [If there is any violation, then please advise what the violation is? if not, then it makes sense to delete this. If there is a violation, then we need to be sure that it does not have a materially adverse effect on the company, as well as not preventing, invalidating or delaying the consummation of the contemplated transactions]

3.5 No General Solicitation. At no time has the Company presented the Purchaser or any other party with or solicited the Purchaser or any other party through any publicly issued or circulated newspaper, mail, radio, television, internet or other form of general advertisement or solicitation in connection with the sale of the Shares.

3.6 No Broker-Dealer. The Company has not effected this sale of the Shares by or through a broker-dealer in any public offering.

3.7 Purchase Price. The Company acknowledges that the Purchase Price represents a negotiated price and may not reflect the fair market value of the Shares.

3.8 Litigation. There is no action, suit, proceeding or investigation pending or, to the Company's knowledge, currently threatened against the Company that questions the validity of this Agreement or the right of the Company to enter into this Agreement, or to consummate the transactions contemplated hereby or thereby.

4. REPRESENTATIONS AND WARRANTIES OF PURCHASERS.

Purchaser hereby represents and warrants to the Company as follows (*provided that* such representations and warranties do not lessen or obviate the representations and warranties of the Company set forth in this Agreement):

4.1 Requisite Power and Authority. Purchaser has all necessary power and authority to execute and deliver this Agreement and to carry out its provisions. All action on Purchaser's part required for the lawful execution and delivery of this Agreement has been taken. Upon its execution and delivery, this Agreement will be the valid and binding obligation of Purchaser, enforceable in accordance with the terms hereof, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and (ii) as limited by general principles of equity that restrict the availability of equitable remedies.

4.2 Investment Representations. Purchaser understands that the Shares have not been registered under the Securities Act of 1933, as amended (the "*Securities Act*"). Purchaser also understands that the Shares are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon Purchaser's representations contained in the Agreement. Purchaser hereby represents and warrants as follows:

(a) **Purchaser Bears Economic Risk.** Purchaser or its management has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company so that it is capable of evaluating the merits and risks of its investment in the Company and has the capacity to protect its own interests. Purchaser must bear the economic risk of this investment indefinitely unless the Shares are registered pursuant to the Securities Act, or an exemption from registration is available. Purchaser understands that the Company has no present intention of registering the Shares or any shares of its Common Stock. Purchaser also understands that there is no assurance that any exemption from registration under the Securities Act will be available and that, even if available, such exemption may not allow Purchaser to transfer all or any portion of the Shares under the circumstances, in the amounts or at the times Purchaser might propose.

(b) **Acquisition for Own Account.** Purchaser is acquiring the Shares for Purchaser's own account for investment only, and not with a view towards their distribution.

(c) **Purchaser Can Protect Its Interest.** Purchaser represents that by reason of its, or of its management's, business or financial experience, Purchaser has the capacity to protect its own interests in connection with the transactions contemplated in this Agreement. Further, Purchaser is aware of no publication of any advertisement in connection with the transactions contemplated in the Agreement.

(d) **Accredited Investor.** Purchaser represents that it is an accredited investor within the meaning of Regulation D under the Securities Act.

(e) **Company Information.** Purchaser has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. Purchaser has also had the opportunity to ask questions of and receive answers from, the Company and its management regarding the terms and conditions of this investment.

(f) **Rule 144.** Purchaser acknowledges and agrees that the Shares are "restricted securities" as defined in Rule 144 promulgated under the Securities Act as in effect from time to time and must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Purchaser has been advised or is aware of the provisions of Rule 144, which permits limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things: the availability of certain current public information about the Company, the resale occurring following the required holding period under Rule 144 and the number of shares being sold during any three-month period not exceeding specified limitations.

(g) **Residence.** If Purchaser is an individual, then Purchaser resides in the state or province identified in the address of Purchaser set forth on **Exhibit A**; if Purchaser is a partnership, corporation, limited liability company or other entity, then the office or offices of Purchaser in which its investment decision was made is located at the address or addresses of Purchaser set forth on **Exhibit A**.

(h) **Foreign Investors.** If Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Shares or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Shares, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any government or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Shares. The Company's offer and sale and Purchaser's subscription and payment for and continued beneficial ownership of the Shares will not violate any applicable securities or other laws of Purchaser's jurisdiction. [Has the Company reviewed and cleared Blue Sky issues in VI, if any.]

5. CONDITIONS TO CLOSING.

5.1 Conditions to Purchasers' Obligations at the Closing. Purchasers' obligations to purchase the Shares at the Closing are subject to the satisfaction, at or prior to the Closing Date, of the following conditions:

(a) **Representations and Warranties True; Performance of Obligations.** The representations and warranties made by the Company in Section 3 hereof shall be true and correct in all material respects as of the Closing Date with the same force and effect as if they had been made as of the Closing Date, and the Company shall have performed all obligations and conditions herein required to be performed or observed by it on or prior to the Closing.

(b) **Legal Investment.** On the Closing Date, the sale and issuance of the Shares shall be legally permitted by all laws and regulations to which Purchasers and the Company are subject. [Please double check with VI Blue Sky Laws]
