Jack Scarola, Esq.

Searcy Denney Scarola Barnhart & Shipley

Re: Edwards adv. Epstein

Dear Mr. Scarola:

I have never personally observed Jeffrey Epstein in the presence of underage females. I do not believe you have any reasonable basis for believing that I have. If you claim to have "reason to believe," please provide me with any such reason. I am certain I can demonstrate to you that it is false.

Sincerely,

Alan M. Dershowitz
