## **Summary**

Cape Corporate Tours offer the following services: 2 hour, half day, full day, individual chauffeur rides and larger group with a maximum capacity of 100 bikes (professionally marshaled). This is suitable for corporate events like team building and incentive schemes as well as overseas touring groups and national visitors. We also cater for bachelor/bachelorette parties, weddings, sunset, picnic, wine tasting and safely guided township tours.

This is not only an exhilarating way to explore a new destination but is a completely unique experience, which can be enjoyed by all.

For the more experienced rider as long as they provide valid clean bike license, have the opportunity to rent the motorcycles themselves. Again this is a fantastic way to explore the beauties of South Africa.

For the more avid, adventurous rider we also supply BMW GS 800, 1200 for rental. Perfect for those off road adventures.
