Re: Heli-pad / Gym Feeder Relocation  
Proposal Dated 9-8-08

Lance,

Based on the fact that I have delivered the conduit for the above referenced project and assuming that a formal acceptance of my proposal has been handed down, I offer this invoice for a 50% deposit of the quoted amount of \$ 11,500.00.

The total amount due is \$ 5,750.00.

If you have any questions please call me at 

Thank You,

Michael J. Glidden

Re: Heli-pad/ Gym Feeder Relocation

Gentlemen,

The following is my proposal for the above referenced work. The scope of work to be performed is as follows:

\*Excavate existing junction boxes for Heli-pad and Gym near entrance columns at Heli-pad road entrance. LSJ to provide excavation along with MJG labor.

\*Disconnect and remove existing wire in 2" Heli-pad conduit and 3" gym conduit from Engineering up to junction boxes.

\*Re-route existing conduits into new trench provided by LSJ running from existing junction boxes to new 3'x3' man-hole.

\*Install mix of new/existing conduit from 3'x3' man-hole to new large man-hole behind Engineering. Excavation by LSJ.

\*Install new 3" conduit from large man-hole to existing Transformer Disconnect Switch outside Engineering Office.

\*Re-install existing feeder wire for Heli-pad and Gym thru 3'x3' man-hole to large man-hole and into existing engineering panel for Heli-pad and to Trans. Disc. Sw. for Gym feeder.

\*Splices and new wire to be supplied as required.

Total Cost \$ 11,500.00.

If you have any questions please contact me at 340-344-4808.

Thank You,

To all parties,

Charles is on LSJ at this moment and has seen the work that needs to be done with the re-running of electric from Glidden. He has given verbal approval and has asked that I let everyone know.

Thanks
