Hope this help
Betteroads field measurement used to produce quote.
160 x 14 = 2240'
60 x 14 = 840' extended entrance
460 x 14 = 6440'
9520 sq ft/9 = 1057.77 sq yard....they rounded it to 1060 sq yard

Asphalt will take 3 days
Concrete will take 5 days

the boss gave me 14 x 150 = 2100 sq ft / 9 = 234 sq yard (gym road)

MONIQUE HARRY

✱ Based on from the triangle to the crest of the road above the gym ✱
