Hey Emad.. Here are a few things to add to the list for Ben Hur:

For NYC:

Epson printer copy (26"x18"x18") weighs 73lbs. It is in the storage unit in PB. Bill said we could use it in the office there.. I figured in 10B 2 bistro tables (one for 301 apt. 8A, and the other to 71st Storage) The are 45" tall and 24"square

1 Full size mattress and box spring to 301 apt. 11P Gray desk drawers(21"x16"x24") to 301 apt. 14G Possibly a safe. [redacted] might have a use for it in NY at 301. She is going to let me know. It measures 19"x24"x17"

Also, we have 4 of those black desk chairs with wheels.. not 3. Can you use all 4? *yes*

For Tropical Shipping Items:

Je black desk chair will go to LSJ

Watercooler to LSJ

2 Glass desks to LSJ (56"x30")
