RE: Landscape Construction

I. Pool

A. North- We will install Zoysia Empire sod in the immediate north side of the pool. The Empire exhibits a grass blade that lies between the fine bladed Zoysias and the wide bladed St. Augustine varieties. It is low maintenance. This area will extend from the Seawall to near the newly installed Pandanus in the eastern corner. We will also under plant the existing Seagrape hedgery with 7 gallon Seagrape to thicken up the mass. We will also install an annually flowering Bromeliad under the Pandanus.

1200 sf Zoysia Empire.
35 7 gal Seagrapes
15 3 gal. Achmea Blanchettiana

Price- \$4850.00, pre sales tax

B. West- the existing west side of the pool now displays the new Foxtail palm population as well as a 6' Ficus benjamina hedge row, providing privacy to the pool patio area. We will install only 4" Jasmine minima ground cover in the 550 sf, under the Foxtails. This ground cover quickly develops into a green carpet. We will treat this area with a pre and post emergent herbicide to knock down existing and future weed populations.

5400 4" Jasmine minima

Price- \$8424.00, pre sales tax
