Dear Ms. Amparo:

Regrettably, LSJE, LLC ("LSJE") has determined that there is no further need for your services. Therefore, your employment by LSJE has ended and you should not plan to return from your extended unpaid absence.

LSJE has previously paid you all salary and vacation time accrued through the date of your extended unpaid absence, and no further payment is due to you in connection with your employment by LSJE.

You may recall that you signed a confidentiality agreement when you commenced service on Little St. James Island, which will remain in full force and effect even though your employment has ended. As we do with all those whose employment is ending, we remind you of this, so that you will not violate your contractual obligations unintentionally and so that LSJE will not be required to bring legal action against you for any such violations.

We would like to thank you for your service and wish you all the best in your future endeavors.

Sincerely,

I hereby confirm that I have been advised of and accept the reason that my employment has ended, and that I have received full and final payment of all amounts due to me in connection with my employment by LSJE and the end of that employment.
